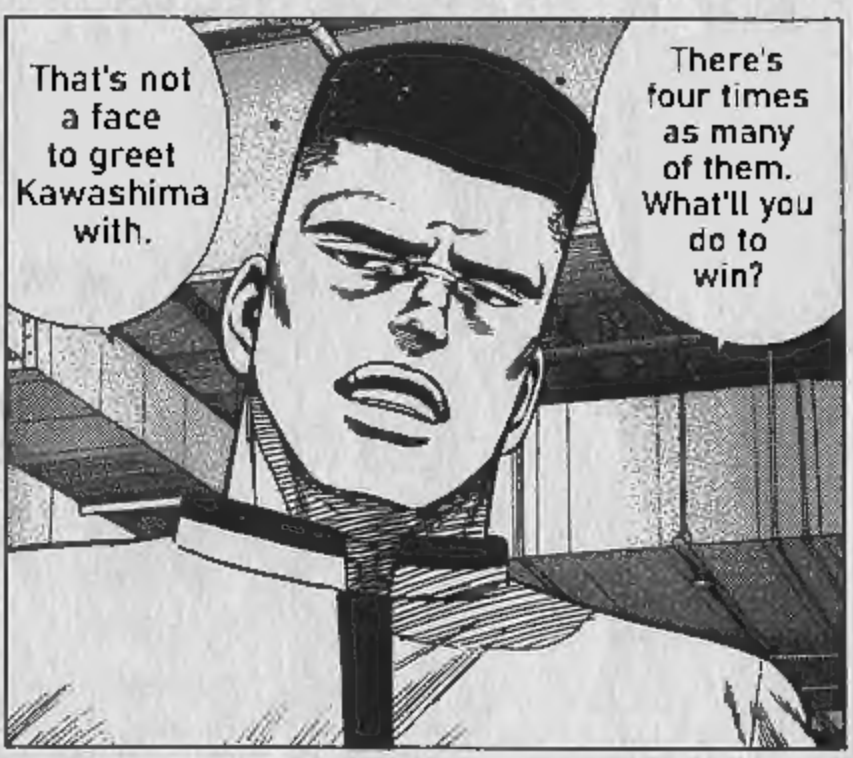
DIE!
GAH-!

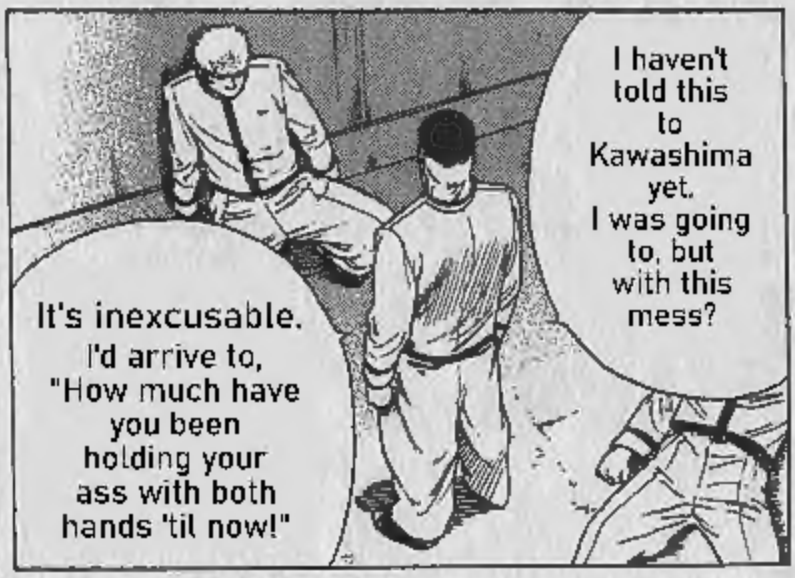
Since we heard Kawashima was returning, we decided to stay in this crap school.
We thought we'd revive Kyokuto again to its strongest.



That's not a face to greet Kawashima with.
There's four times as many of them. What'll you do to win?

Taka...

Don't you rely on him too much?
!



I haven't told this to Kawashima yet. I was going to, but with this mess?
It's inexcusable. I'd arrive to, "How much have you been holding your ass with both hands 'til now!"

The real reason Kawashima returned was...
But...

Go. Those Tokyo guys aren't anything but trash.
Didn't you show me how much you were getting whipped without Kawashima here?

With something like trust... If you're lied to, only a cruel end awaits you.

It's over if you don't get that.

If you don't understand that, it's over.
